Business
Commercial Litigation
Construction Law
Employment
Professional Liability
Real Estate

Stan's practice concentrates in construction and design law, real estate and development law, construction defect and design liability defense, insurance and surety defense, business law, employment law, and commercial litigation. He has successfully represented and defended real estate developers, construction and design-build firms, architects, engineers and design professionals, insurance and surety companies, business and commercial clients in a variety of complex multi-party litigation situations. He has represented a wide range of business and commercial entities in matters ranging from commercial leasing to multi-million dollar land and development acquisitions.

Stan is admitted to practice in all courts of the State of Utah, the Utah Supreme Court, the United States District Court for the District of Utah, the United States Tenth Circuit Court of Appeals, the United States Court of Federal Claims, and the United States Federal Circuit Court in Washington D.C. He also represents clients in arbitration, mediation and other alternative dispute resolution settings.
