to Provide for Mandatory
Licensing Form Malpractice
Insurance Information

No: 20070143-SC

ORDER

This matter is before the Court upon the petition filed by the Utah State Bar on February 15, 2007, requesting that the Court approve inclusion of mandatory professional liability insurance questions on the annual licensing form for a period of two years.

IT IS HEREBY ORDERED that the Utah State Bar shall include the malpractice insurance questions stated in its petition on the licensing form for the 2007/8 and 2008/9 licensing cycles, with responses to the malpractice insurance questions required as a condition of licensure.

The Court is considering possible future imposition of a rule requiring malpractice insurance. The data from the malpractice insurance questions is being collected to assist the Court in its consideration of this issue.
