

W. J. Elford 5/2/85

CRIME LABORATORY
NEW ORLEANS POLICE DEPARTMENT
715 S. BROAD ST.
NEW ORLEANS, LA. 70119

APRIL 9, 1985

REPORT OF THE CRIME LABORATORY

To: DISTRICT ATTORNEY'S OFFICE
ATTN: ADA BRUCE BRITAKER

Evidence Received: 4-4-85

Type of Investigation: ARMED ROBBERY

Item No.: L-12377-84

Examination Requested: BLOOD

Subject: VICTIM Stewart LeCardo

Specimens:

- 1. One piece of victim's pants leg
- 2. One tennis shoe.

RESULTS:

Stains on specimen 1 yielded positive serological reactions for group B human blood.

Stains on specimen 2 yielded positive chemical tests for the presence of human blood. Attempts to type this blood were unsuccessful.
