

Ann Thomas, JD
Senior Principal
Mercer

Ann is the managing Principal of the Mercer Salt Lake City office. Mercer is a human resource consulting firm. Ann is a lead consultant for many clients in various industries. In this role, she consults with clients regarding various healthcare options including the implications of the Affordable Care Act as it relates to insurance plans and provider access. Her expertise lies in health and employee related benefits as well as general human resource issues. Ann focuses on developing strategic directions and the interaction of employee benefits, legislation, and finance. Her client work includes evaluation of financial and social impacts of new designs, new regulations, and increased consumer involvement in healthcare. As part of this practice, she aids in ensuring new plans conform with the Health Care Reform law.

Ann presents at numerous seminars and conferences on health and benefit related topics including health care reform, the current healthcare landscape for business and providers, and employee benefit trends. Ann was named one of the Utah's 30 Women to Watch by Utah Business Magazine.

Ann received her Bachelor of Science in Mathematics from the University of Utah and her MBA from the University of Arizona. Ann also received her Juris Doctorate from the University of Utah and is currently a member of the Utah Bar.
