

Petition to Organize Entertainment Section of Utah State Bar

This Petition requests organization of the Entertainment Law Section of the Utah State Bar. This proposed Section of the Bar will serve to organize, educate, and unite entertainment lawyers in Utah and help entertainment lawyers improve and channel their efforts to serve Utah's growing entertainment community.

This Petition includes the following:

1. Signatures of at least 25 members of the Utah State Bar indicating intent to become charter members of the section;
2. Initial Section start-up fund of \$500;
3. Copy of proposed Section By-laws, modeled generally after the form prescribed by the Board for all sections;
4. Proposed dues schedule of \$20 per month; we propose that dues will be used for section meetings and business, to sponsor entertainment-law-related speakers (including, for example, travel-related expenses for speakers), and to foster education and promote professional networking;
5. Identification of initial officers who will act as Section officers until official elections can be held, including Chair, Vice-Chair, Secretary, and Treasurer.

It is our understanding that the Utah State Bar will receive and act on this Petition at a regular convened Commission Meeting.

It is also our understanding that following approval, the Section will be responsible for its own membership and operations, subject at all times to the

overall authority of the Utah State Bar. Once organized, the Section will continue in existence until dissolved by action of the Utah State Bar.
