## INDEPENDENT AUDITORS' REPORT

### To the Board of Commissioners of the Utah State Bar

#### ***Report on the Financial Statements***

We have audited the accompanying financial statements of the Utah State Bar (a nonprofit organization) (the Bar), which comprise the statement of financial position as of June 30, 2020, the related statements of activities and cash flows for the year then ended, and the related notes to financial statements.

#### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

#### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to error or fraud. In making those risk assessments, the auditors consider internal control relevant to the Bar's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Bar's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Bar as of June 30, 2020, and the changes in its net assets and its cash flows for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

***Report on Summarized Comparative Information***

We have previously audited the Utah State Bar's 2019 financial statements and we expressed an unmodified opinion on those financial statements in our report dated September 25, 2019. In our opinion, the summarized comparative information presented herein as of June 30, 2019 and for the year then ended is consistent, in all material respects, with the audited financial statements from which it was derived.

***Report on Supplemental Schedules***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of continuing legal education and conferences revenue and expenses, member services revenues and expenses, public services revenues and expenses, bar sections revenues and expenses, mandatory continuing education advisory board, and facilities revenues and expenses are presented for the purpose of additional analysis and are not a required part of the financial statements. These schedules are the responsibility of the Bar's management and are derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such schedules have been subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such schedules directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, in accordance with auditing standards generally accepted in the United States of America. In our opinion, such schedules are fairly stated in all material respects in relation to the financial statements as a whole.

1. **Description of Organization and Summary of Significant Accounting Policies**

***Description of Organization***

The Utah State Bar (the Bar) is an organization created by statute in 1931 under the laws of the state of Utah. The Bar's purpose was amended and clarified by the Utah State Constitution and by court order on June 30, 1981, and the Bar was incorporated as a 501(c)(6) organization on June 24, 1991. All attorneys licensed under the laws of the state of Utah, which approximate 13,100, are considered members of the Bar.

***Basis of Presentation and Fund Accounting***

The assets, liabilities and net assets of the Bar have been prepared in accordance with accounting principles generally accepted in the United States of America (US GAAP), which require the Bar to report information regarding its financial position and activities according to the following net asset classifications, as applicable:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Bar. These net assets may be used at the discretion of the Bar's management and Board of Directors.

**Net assets with donor restrictions:** Net assets subject to restrictions imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Bar or by the passage of time. Other donor restrictions are perpetual in nature, where the donor stipulates the funds be maintained in perpetuity.

Net assets without donor restrictions are presented as designated or undesignated. The undesignated fund is used for the general operations of the Bar. The designated funds are used for activities of the various Bar sections, the Client Security Fund, and the Mandatory Continuing Legal Education Fund (MCLE Fund), including overhead charges to defray the costs of administering those funds.

The financial statements include prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in accordance with US GAAP. Accordingly, such information should be read in conjunction with the Bar's financial statements as of and for the year ended June 30, 2019, from which the summarized information was derived.

1. **Description of Organization and Summary of Significant Accounting Policies**  
*Continued*

**Concentrations of Risk**

The Bar maintains cash in bank deposit accounts which, at times, exceed federally insured limits. As of June 30, 2020, the Bar had \$639,601 of cash that exceeded federally insured limits. Additionally, as of June 30, 2020, the Bar maintained cash and cash equivalents of \$2,513,668 in an institutional investment account which is not federally insured. To date, the Bar has not experienced a loss or lack of access to its invested cash and cash equivalents; however, no assurance can be provided that access to the Bar's invested cash and cash equivalents will not be impacted by adverse conditions in the financial markets.

**Use of Estimates in Preparing Financial Statements**

The preparation of financial statements in accordance with US GAAP requires management to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**Cash Equivalents**

The Bar considers all highly liquid investments purchased with original maturities to the Bar of three months or less to be cash equivalents. As of June 30, 2020, these cash equivalents consisted of money market accounts totaling \$2,513,668.

**Investments**

Investments consist primarily of corporate bonds. Investments are reported at their fair values in the statement of financial position. Realized and unrealized gains or losses are reflected currently in the statement of activities.

**Property and Equipment**

Property and equipment are stated at cost less accumulated depreciation and amortization. Depreciation and amortization are calculated using the straight-line method over the estimated economic useful lives of the assets or over the related lease terms (if shorter), as follows:

Building	25 years
Building improvements	10-25 years
Computers and computer software	3-5 years
Office furniture, equipment and leased equipment	3-7 years

1. **Description of Organization and Summary of Significant Accounting Policies**  
*Continued*

***Property and Equipment – continued***

Expenditures for routine maintenance and repairs are charged to operating expenses as incurred. Major renewals and betterments are capitalized and depreciated over their estimated useful lives. Upon retirement or other disposition of property and equipment, the cost and accumulated depreciation and amortization are removed from the accounts and any gain or loss is recorded as income or expense in the statement of activities.

***Revenue Recognition and Deferred Revenue***

The Bar recognizes revenue from services and programs, conventions, bar examinations, room rental and catering and other services at the time of sale or at the time services are provided. Licensing fees are assessed in June for the following fiscal year. All fees collected prior to the current fiscal year-end are recorded as deferred revenue. Deferred revenue is recognized as income in the year in which it is earned (i.e., benefits provided to members).

***Grant Revenue***

Grants received are recorded as with or without donor restrictions, depending on the existence and/or nature of any donor restrictions. Revenue from grants with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

If a donor restriction expires in the same reporting period in which the grant revenue was initially recognized, that revenue is reported as an increase in net assets without donor restriction. All other donor-restricted revenue is reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

***Income Taxes***

On June 24, 1991, the Bar was incorporated as a 501(c)(6) organization and has received a determination letter from the Internal Revenue Service exempting the Bar from federal income taxes. Management believes that the Bar is designed and operated in compliance with the applicable requirements of the Internal Revenue Code and, accordingly, no provision for federal and state income taxes has been provided for in the accompanying statement of activities.

The Bar is subject to income tax at current corporate rates on net income from unrelated business activities. Income taxes on unrelated business activities have not been significant. The Bar paid no income taxes for the year ended June 30, 2020.

**1. Description of Organization and Summary of Significant Accounting Policies**  
*Continued*

***Income Taxes – continued***

A liability for uncertain tax positions is recognized in the financial statements when it is more likely than not the position will not be sustained upon examination by the tax authorities. As of June 30, 2020, the Bar had no uncertain tax positions that qualified for either recognition or disclosure in the financial statements. The Bar is subject to routine audits by tax jurisdictions; however, there are no audits for any tax periods in progress.

***Subsequent Events***

Management has evaluated events occurring subsequent to June 30, 2020 through October 5, 2020 (the date the financial statements were available to be issued) for possible disclosures or accounting impact.

**2. Liquidity and Availability**

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the statement of financial position, comprise the following as of June 30, 2020:

Cash and cash equivalents	\$ 3,564,562
Investments	5,378,266
Receivables	<u>62,223</u>
	<u>9,005,051</u>
Less amounts not available to be used within one year or otherwise restricted:	
Board designated funds	(4,207,056)
Donor restricted funds	<u>(41,739)</u>
	<u>\$ 4,756,256</u>

The Bar regularly monitors liquidity required to meet its operating needs and other contractual commitments using budgets and cash flow projections, while also striving to maximize the investment of its available funds. The Bar's excess cash is invested in a portfolio of corporate bonds. Additionally, the Bar's governing board has designated a portion of its unrestricted resources for contingencies, which is identified as board-designated in the table above (Note 8).

**3. Investments and Net Investment Income** Investments consisted of the following as of June 30, 2020:

	<b>Amortized Cost</b>	<b>Cumulative Net Unrealized Gains</b>	<b>Fair</b>
Corporate bonds	\$ 5,298,114	\$ 80,152	\$ 5,378,266

Investment income for the year ended June 30, 2020, consisted of the following:

	<b>Undesignated</b>	<b>Designated</b>	<b>Total</b>
Net investment income and interest	\$ 149,077	\$ 15,980	\$ 165,057
Net unrealized gain/(loss)	32,908	2,829	35,737
	\$ 181,985	\$ 18,809	\$ 200,794

**4. Fair Value Measurements** The Bar's financial instruments consist of investments as of June 30, 2020. Management believes that the recorded value of each financial instrument approximates its fair value.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. To increase the comparability of fair value measures, the following hierarchy prioritizes the inputs to valuation methodologies used to measure fair value:

- Level 1      Valuations based on quoted prices for identical assets or liabilities in active markets
- Level 2      Valuations based on observable inputs other than quoted prices included in Level 1, such as quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets and liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data.
- Level 3      Valuations based on unobservable inputs reflecting the Bar's own assumptions, applied consistently with reasonably available assumptions made by other market participants. These valuations require significant judgment.

**4. Fair Value Measurements**  
*Continued*

The Bar's investments are considered Level 1 assets under the fair value hierarchy and are measured on a recurring basis. Bar management obtains valuation data for the corporate bonds from third-party sources, which determine the net asset values for the Bar's accounts using quoted market prices and reportable trades.

**5. Property and Equipment**

As of June 30, 2020, equipment held under the capital lease had a cost of approximately \$18,000 and accumulated amortization of approximately \$13,000. As of June 30, 2020, future minimum lease payments under the capital lease were as follows:

**7. Employee Benefit Plans**      The Bar sponsors a defined contribution 401(k) plan (the Plan). Employees who have completed one year of service with the Bar and have attained the age of 21 or older are eligible to participate, and may elect to contribute a portion of their compensation, subject to Internal Revenue Code limitations, to the Plan. The Bar contributes to the Plan an amount equal to 10% of the compensation of all Plan participants. Contributions to the Plan were \$277,322 for the year ended June 30, 2020.

The Bar sponsors a Section 125 cafeteria plan. All contributions to this plan are made by the participants.

**8. Board Designated Net Assets Without Donor Restrictions**      Board designated net assets without donor restrictions consist of the Bar operation’s reserves for potential future liabilities and assets designated for Bar sections, client security fund, and the mandatory continuing legal education fund. Board designated net assets without donor restrictions consisted of the following as of June 30, 2020:

Bar operations reserves:	
Three-month operating expense reserve	\$ 1,581,302
Capital replacement reserve – building	650,000
Capital replacement reserve – equipment	200,000
Total Bar operations reserves	2,431,302
Bar sections	847,305
Client security fund	274,015
Mandatory continuing legal education fund	654,434
	<b>\$ 4,207,056</b>

**9. Client Security Fund**      On October 30, 1983, the Bar received approval from the Utah Supreme Court (USC) to collect up to \$20 per attorney per year to accumulate a client security fund (the Fund) in the base amount of \$200,000. The Fund was created to partially indemnify the public against losses incurred as a result of lawyers’ misappropriation of clients’ funds. Claims against the Fund are limited to \$20,000 per claimant. On April 20, 2015, the USC approved the reduction of the fee paid to the Fund by each member attorney from \$20 to \$5. The Bar determined no fee would be collected from member attorneys for the year ended June 30, 2020, as the fund was sufficiently funded.

Cases must be reviewed and approved by the Fund Committee of the Bar and also by the Board of Commissioners of the Bar before they are considered to be claims payable by the Fund. The Fund Committee routinely reviews open matters. In the Fund Committee’s opinion, these open matters will not have a material adverse effect on the financial position, results of activities, or liquidity of the Bar.

**10. Expenses

**11. Contingencies**

The Bar may, from time to time, be subject to legal proceedings arising in the normal course of business. Management does not believe the outcome of any matters currently pending will have a material impact on the financial position, results of activities, or liquidity of the Bar.

The COVID-19 pandemic has caused significant business disruption throughout the world. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the disruption. Therefore, the Bar anticipates this matter may negatively impact its operating results. However, the related financial impact and duration cannot be reasonably estimated at this time.

**12. Related Parties**

The primary purpose of the Bar is to perform services on behalf of its members, which may result in related-party transactions arising through its regular activities.
