**NOTE:** *It may take up to five minutes for the Reset Account Password email to be delivered to your email address. Do not click the link more than once. If you do not receive the email click the “Technical Support Request” button in the footer of our website to contact technical support.*

Upon receipt of the Reset Account Password email, follow the prompts to set the password for your user account.

After setting the password, click on the green "Login" button, enter your email address in all lowercase letters and the password you set for your account.

The image shows a login form. At the top, there are two buttons: "Register" (brown) and "Login" (green). Below these is a white input field containing the email address "example@testemail.com". Underneath the email field is a password field with a green "Login" button to its right. The password field contains several dots. Below the password field is a link that says "Forgot your password?" in orange text.

If you encounter any technical issues or need assistance in claiming your account, submit a technical support request by clicking the “Technical Support Request” button in the footer of our website to contact technical support.
