1. President's Report: Heather Thuet

1.1 Summer Convention Update.

Ms. Thuet reported that summer convention reservations should be made as soon as possible.

1.2 Bar Review Talent Show May 26 and June 30.

Ms. Thuet reported on the prior and upcoming talent shows.

2. Action Items:

2.1 Approve Proposed 2022-2023 Budget.

Mr. Hoffman reported that the Budget and Finance Committee recommended approving the budget. He noted that the Bar is in a healthy position. Ms. Woods then explained her budget

request. She said her goal as Bar President in the coming year is to illuminate Bar services and perks to Bar licensees. For example, what should a licensee do if they want to put on a CLE that interests them, or how does a licensee arrange building facilities for business use. Ms. Woods also explained that she would like to have real discussion about Sandbox issues with Bar and showcase service providers to explain what benefits they provide. She noted that this will go hand in hand with the Bar's new website. Ms. Woods said her request is for a for a fund called Commission Outreach.

Ms. Stout then explained what appeared in the budget. She noted that the budget assumes a 2% increase in revenue and a 5% increase in salaries and benefits with cost of living. The Bar's health and dental insurance premiums also increased by 5%. She said that the Social Security Administration cost of living adjustment this year was 5.9%. Computer maintenance and security also increased and the Bar saw a 3% increase in cost to operate the building. Ms. Stout highlighted additional increases in travel and in-person meetings following the pandemic shut down.

Ms. Woods noted that the budget includes a salary study. She observed that salary compression has occurred and the Bar is seeing valuable employees wanting to leave because they can make more money elsewhere. Ms. Wright noted that the last salary study was done 7 years ago, and the recommendation is to complete one every 5 years.

Ms. Woods stated that she will task the Budget and Finance Committee with studying how Bar reserves are allocated. She observed that one value in attending conferences with other state bars is learning what other like organizations do on foundational items like reserves. For example, the Utah State Bar should be creating more line items in its reserves as other states do. Ms. Wright noted that reserves are up at all Bars because expenses went down with COVID. Arizona, for example, designated special projects as a line item in its reserve.

The Commission had a discussion about the budgeting process. Ms. Woods noted that her priorities to better reach and connect with Bar licensees will be a two-year process. She will be working with Mr. Christiansen to take the results of the upcoming survey and move those efforts forward.

Mr. Morse moved to approve the 2022-2023 budget. Ms. Quist seconded the motion. The motion carried with an abstention by Ms. Thuet.

2.2 Heather Thuet Request for WSBC Reimbursement.

Ms. Thuet presented on her request for reimbursement for the Western States Bar Conference. Ms. Wright noted that the body should decide what minimum attendance looks like at conferences and whether there should be a policy on it. She also noted that conferences are an opportunity, not a requirement for Board members. Mr. Hoole observed that there may be a difference between the Bar's summer convention and the regional conferences for Bar leadership. He posited that the purpose of regional conferences for Bar leaders is to benefit the Bar itself, whereas the Bar's continuing education conventions are to benefit Bar leaders as practitioners. The Commission had a discussion about minimum attendance when the Bar pays for its leadership to attend regional conferences. Ms. Quist moved to reimburse Ms. Thuet for her Western States Bar Conference expenses. Mr. Moore seconded. The motion carried with opposition by Ms. Woods, Mr. Morse, and Ms. Mancuso-Smith.

2.3 Select Lawyer of the Year Award Recipient.

Ms. Woods said the Awards Committee recommended that Laura Gray be named the Utah State Bar Lawyer of the Year, with Debra Nelson and Noella Sudbury receiving special service awards. The Commission approved the recommendation by acclamation.

2.4 Select Judge of the Year Award Recipient.

Ms. Woods said the Awards Committee recommended that Judge Laura Scott be named the Utah State Bar Judge of the Year. The Commission approved the recommendation by acclamation.

2.5 Select Section of the Year Award Recipient.

Ms. Woods said the Awards Committee recommended that the Business Law Section be named the Utah State Bar Section of the Year. The Commission approved the recommendation by acclamation.

2.6 Select Committee of the Year Award Recipient.

Ms. Woods said the Awards Committee recommended that the Licensed Paralegal Practitioner Committee be named the Utah State Bar Committee of the Year. The Commission approved the recommendation by acclamation.

2.7 Select Special/Distinguished Award Recipient.

The Commission selected Debra Nelson and Noella Sudbury to receive special service awards.

3. Information Items:

3.1 Innovation Office Task Force: Erik Christiansen.

Mr. Christiansen reported on the composition of the Innovation Office taskforce. The taskforce will consist of John Lund, Mark Morris, Dean Gordan Smith, Tyler Young, and Michelle Quist. Nick Stiles, and Elizabeth Wright. He reported that the taskforce has many things to study in relation to the Innovation Office and the Supreme Court's request that the Bar take it on and that this will be approximately a year-long process. Mr. Christiansen said it had been reported to him that the Innovation Office will run out of funding in 2024. Mr. Morris opined that there should

more transparency about the Innovation Office's functions. He said there should be regular reports to the Bar about its functions. The Commission supported that objective.

4. Reports

4.1 Leadership Academy: Jen Tomchak and Judge Clem Landau

Leadership Academy Board members Jen Tomchak and Judge Clem Landau reported on the curriculum and activities of the current Leadership Academy class.

4.2 Commission Retreat: Katie Woods.

Ms. Woods reported that the Commission retreat will be October 14th and 15th in Springville, Utah, next to Zions National Park.

5. Luncheon with 50-year award recipients

The Commission met with 50-year award recipients following its regular meeting.

6. Adjournment.

The meeting adjourned at 11:15 a.m.

CONSENT AGENDA

The following item was approved without discussion: Minutes of the April 22, 2022 Commission meeting.

UTAH STATE BAR Budget and Finance Committee Financial Results as of May 31, 2022 and for the eleven months then ended

17

FINANCIAL STATEMENT HIGHLIGHTS

The results of the financials for the first eleven months of the fiscal year show total revenues overreported compared to the budget, while expenses underreported, thus resulting in a favorable variance of \$113,299 compared to the budget.

Year-to-Date (YTD) Net Profit – Accrual Basis:

Tear to bate (TTD) Net Hole Ale	Actual	Budget	Fav(unfav) \$ Variance	Fav(unfav) % Variance
YTD revenue	6,498,893	6,425,694	73,199	1%
YTD expenses	5,939,992	5,980,092	40,100	1%
YTD net profit/(loss)	558,901	445,602	113,299	25%

YTD net income is \$558,901 and is \$113,299 over budget.

YTD Net Profit -Cash Basis: Adding back year-to-date depreciation expense of \$129,248 and deducting capital expenditures of \$80,967, the cash basis year-to-date net profit is approximately \$48,281 higher.

Explanations for Departments with Net Profit Variances of \$10k and 5% Over/Under Budget and/or significant activity:

Admissions: YTD net profit for the first eleven months of fiscal year 21/22 is \$124,564 more than budgeted, as Admissions revenue is overperforming by \$89,473 compared to the budget. It appears that all areas of Admissions revenue are performing better than budgeted. Expenses also appear to perform better than budgeted. We note that salaries are performing better than budgeted, which is due to the lower than budget salaries and wages and is discussed below at the NLTP section.

NLTP: YTD net spending is \$23,916 less than budgeted. NLTP revenue is performing \$893 better than expected, but the reason for the larger than budgeted loss is due to expenses running higher than expected. Expenses for the department related to salaries and benefits are \$27,2011 higher than budget due to the NLTP director (who is also the director of Admissions) spending more time on the NLTP program than budgeted for the first nine months of the year. As the director for the two departments is filled by one person, the higher NLTP salaries and wages results in lower than budget salaries in Admissions. Additionally, during March, a new employee was hired to manage the NLTP program. As such, we expect the Admissions Director will spend less time on the NLTP program moving forward as the new employee takes over the NLTP duties.

CLE: For the first eleven months of fiscal year 21/22, the CLE department's revenue underreported \$6,155 (2%) compared to the budget, while expenses overreported by \$53,948 (13%) compared to the budget. CLE Registrations is the most significant revenue item for this department, which underreported by \$53,515 compared to the budget. In-person CLE events continue to mostly be held virtually due to COVID pandemic and therefore are priced slightly lower than an in-person CLE. The CLE department continues to hold events virtually and evaluate appropriate registration prices that promote attendance while also adequately providing a CLE-benefit to attending members. Video CLE sales also appear lower than

UTAH STATE BAR Budget and Finance Committee Financial Results as of May 31, 2022 and for the eleven months then ended

18

budgeted by \$11,686, which is due to the budget being based off prior year results and during the prior year, video sales were higher than usual due to the extended CLE reporting period.

Fall Forum: The Forum was held virtually each week from November through January, and registration revenues have performed better than budgeted. Revenues for the event are \$11,282 higher than budgeted; and expenses are lower than expected due to the online format. The event is currently reporting a net profit of \$55,936

Spring Convention: The Spring Convention that was held virtually each week beginning March 10th to May 12th had positive turnout, with the event currently reporting a net profit of \$40,211. Although the revenues are currently \$55,587 less than budgeted, expenses are also lower than budgeted by \$95,798, which has resulted in the overall net profit for the event at May month-end. As the event continued into May, we expect more expenses may come in during the month of June but overall we are anticipating the virtual event will result is a favorable net profit.

Member Services: Member Services YTD net spending was \$255,526 compared to budgeted net spending of \$322,885, a difference of \$67,359. The reason for the variance is mostly due to lower-than-budgeted expenses, most likely the result of limited spending in July, August and September due to budget delays and reduced activity throughout the year due to the pandemic. Also advertising revenues for Bar Journal ads are overreporting by almost \$20,000.

Public Services: Public Services YTD net spending is \$57,800 less than budgeted, which is due to expenses running under budget. The FY 21/22 budget allowed for almost \$20,000 in spending for the Tuesday Night Bar, however the program was moved to a virtual format and therefore very few expenses are necessary to run the program.

Bar Operations: Bar Operations net spending is currently reporting \$301,591 higher than budgeted, with the majority of the excess over budgeted related to the Program Services expenses. During the April 2022 Bar Commission meeting a \$250,000 donation to And Justice For All was awarded, as well as \$101,780 contribution to the Fund for Client Protection.

Facilities: Bar meeting room facilities continue to be underutilized due to the COVID pandemic, which has resulted in lower-than-budgeted revenues and expenses up through May. However, as the pandemic continues to show improvement, the Bar has been able to open its doors to welcome more in-person meetings, which will hopefully result in higher rental revenues in the coming months.

UTAH STATE BAR Budget and Finance Committee Financial Results as of May 31, 2022 and for the eleven months then ended
